- While Dual Enrollment (DE) Community College Courses are included on the PGHS transcript, ensure you enter your CCAP and General MPC classes as college course work, not as high school a-g course work.
- Dual Enrollment classes will be listed under a Monterey Peninsula heading (previous example) OR will have a DE label before the course title.

GPA

Every college calculates GPA according to their own scale. When asked for your PGHS GPA, use the GPA listed on your transcript. However, when you enter your course work into your application, your GPA will be recalculated using the college or university scale.

Transcripts

- Review and ensure all your course work is on your transcript.
- If you are missing an MPC or DE class, ensure you've provided Mrs. Biondi an unofficial copy of your MPC college transcript. [Transcripts | Monterey Peninsula College \(★Link\)](#)
 - CCAP DE classes (Dual Enrollment classes taught at PGHS) are automatically added to your transcript.
- **ALWAYS use a copy of your transcript when completing any application.**
- Items that are not included on your transcript:
 - Sports and extracurricular activities
 - Course work from other high schools, **UNLESS** you transferred to PGHS from another school

The background of the image consists of several overlapping, slightly out-of-focus film strips. The strips are dark with white sprocket holes, creating a sense of motion and cinematic history. They are arranged in a way that suggests they are being unspooled or viewed on a screen.

**100% of graduating
seniors will need to
order a transcript.**

Personal Email

- After you graduate in May, your PGUSD email account will be deactivated.
- Use a personal email (not your PGHS email) for all college and job applications in your senior year.
- Create a personal email that you would be confident and comfortable using for a job interview and potentially for a number of years.
 - Save your email address and password in a secure location.

Pacific Grove High School uses Parchment.com, an online transcript service that allows students to view, and order official and unofficial transcripts electronically.

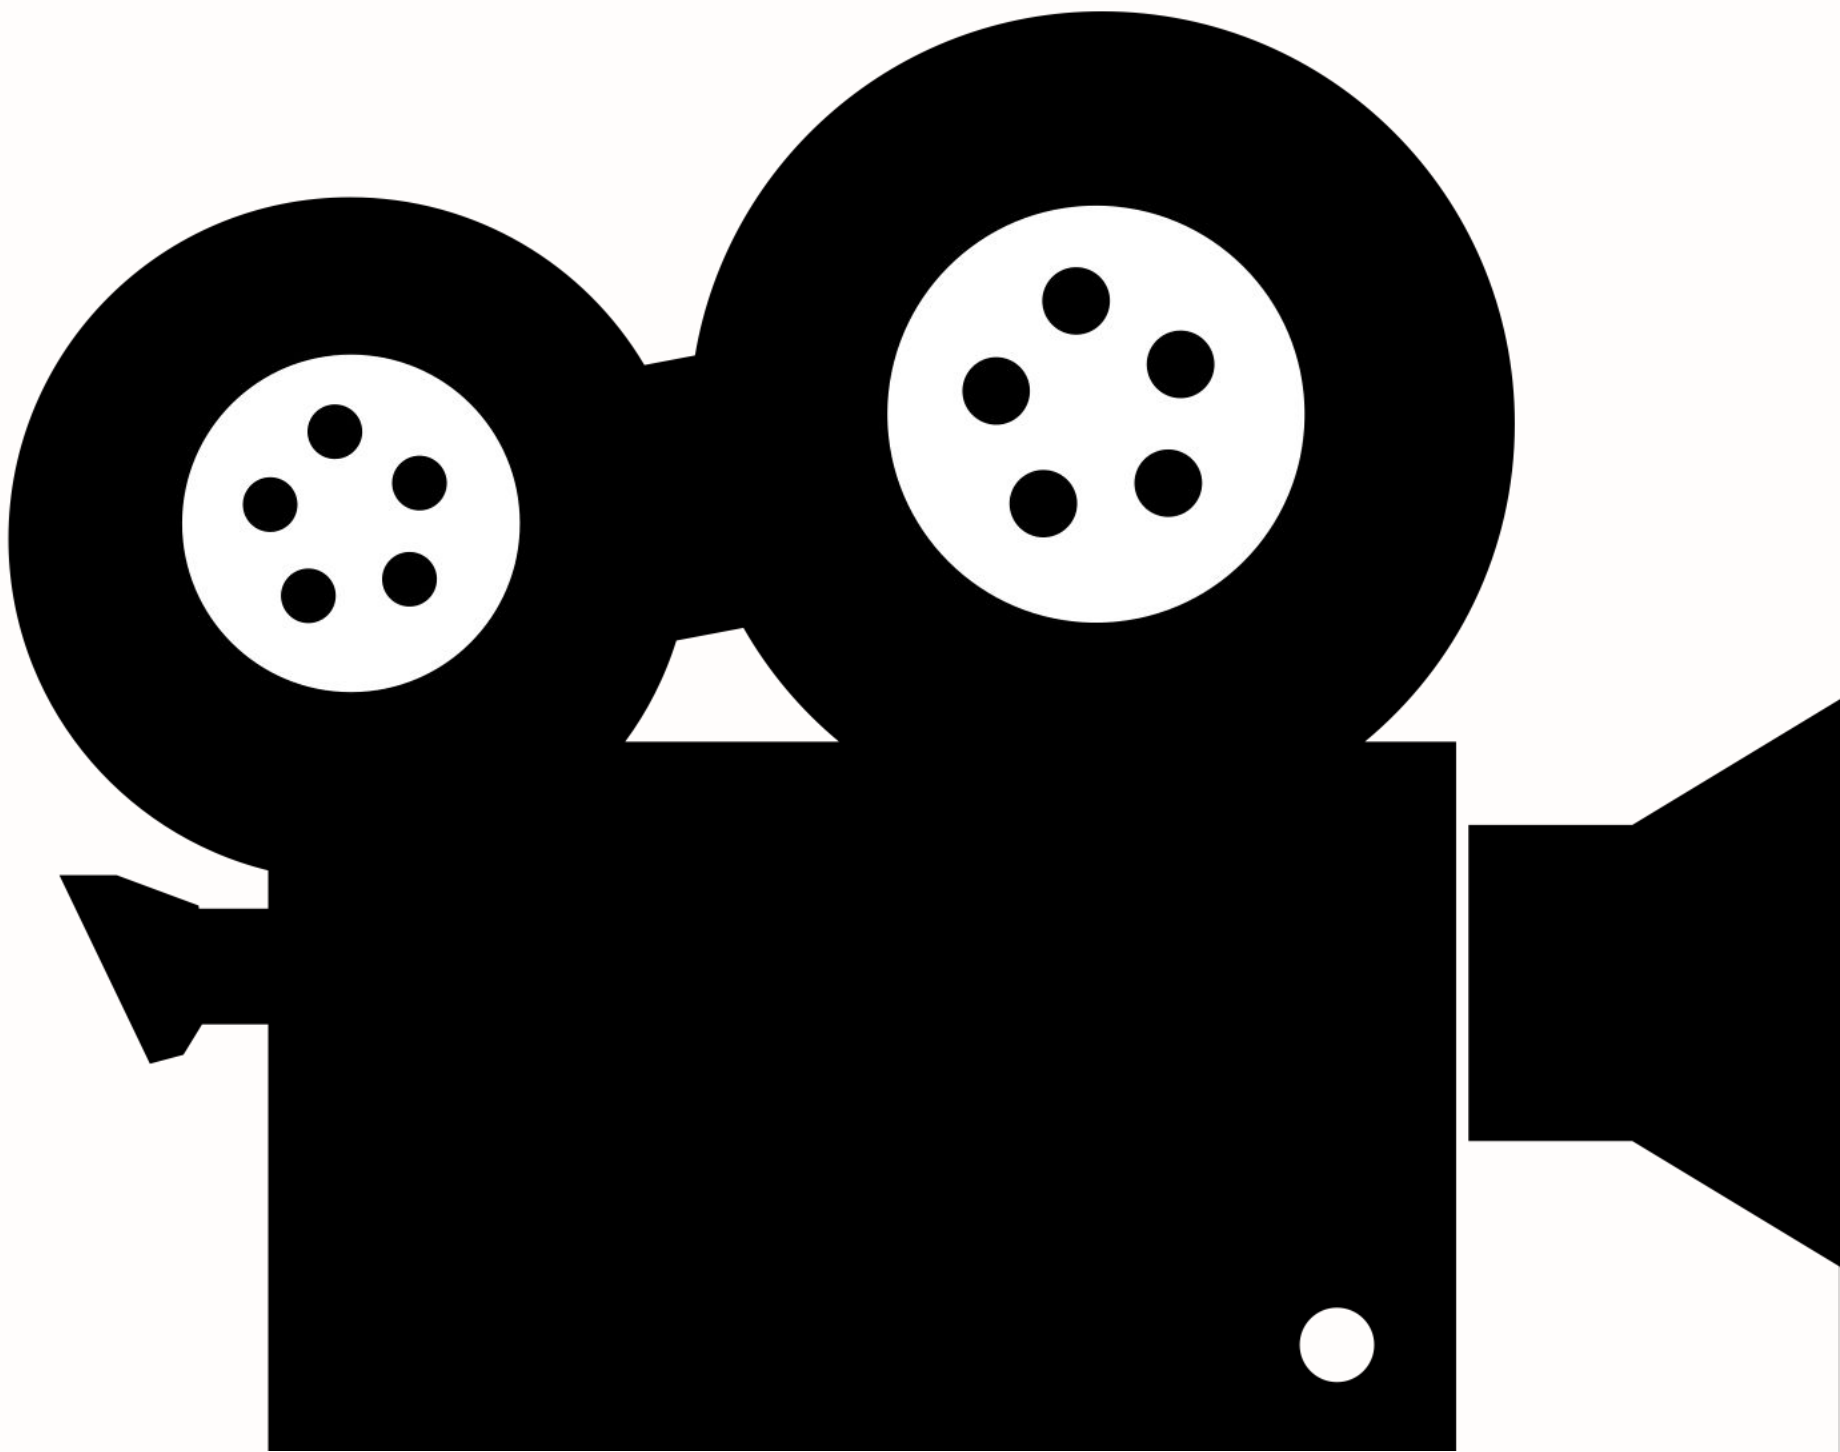

All PGHS 12th grade students should have a Student Parchment account so you can view/order official or unofficial transcripts this year and in the future.

- If you cannot print a free unofficial transcript, DO NOT pay \$4.40 to order a an transcript.
- If you cannot print free copies of your PGHS transcript, **come speak with Mrs. Biondi, the PGHS Registrar, and she can assist you in resetting your Parchment account.**
- After students graduate in May, they will be required to pay to request transcripts, but during your senior year, you still have access to free unofficial copies.
